

Stuck on a New Word?

Look at the pictures

*pictures can give you clues

Get your lips ready

*say starting letter sounds
*read and say it again

Stretch it out

*stretch the word into sounds and then put the sounds together

Chunk the word

*look for a smaller word or word chunk
*look for a word you know inside the word

Skip It, Skip It

*skip a word you don't know, read to the end, then go back & read it again

Try It Again

*try to reread a word
*try a new word

Ask for help

*after trying other strategies

Flip the Vowel

*try the other vowel sound

Never let the word win. Read on!
